### Eligibility

All Neuk Collective members are eligible to submit **1** piece of work to the exhibition.

### New vs. Existing Work

We are not able to financially support the creation of new work so **we encourage you to submit existing work** - preferably work that is already complete at the time of submission.

If you have a piece in progress you want to submit, you can, but **it must be complete by 5pm on March 29th.**

### Insurance

Artists are responsible for insuring their own work and tech, if supplying. All works accepted for exhibition will be displayed entirely at the artists' risk and organisers and the gallery will not accept liability for loss or damage occurring during the exhibition.

### **Delivery and Collection**

If you are supplying tech or physical pieces, it should be delivered to the gallery on Wednesday 26th June or Thursday 27th June and collected on Tuesday 30th July or Wednesday 31st July. Other delivery dates or courier delivery are by negotiation, and whether we can accommodate will depend on the size and weight of the equipment/work. Please tell us if you need this option ("Is there anything else you would like to tell us?")

More precise timings to follow.

### **Video work - final video files must be delivered electronically by 5pm on March 29th.**

We are looking at establishing a collection hub in Glasgow - a central place where local artists can drop their work off, for it to be collected and brought to Edinburgh. Please contact us if you can assist with this.

Work not collected at the stated times will be subject to a daily charge of £10 and will be disposed of after one week, unless by prior agreement.

### **Questions**

If you have any questions, or any access needs you want to discuss, please contact [neuk@doorinthewall.co.uk](mailto:neuk@doorinthewall.co.uk) and include "Exhibition" in the subject line.
